Dear Paul

**Health and Safety Prequalification Assessment –  
Contractors Health & Safety (CHAS) Assessment Scheme**

I have now completed my assessment of your application. You will recall you were required to respond to a number of health and safety questions that were used to complete my assessment of your policy, organisation and arrangements for health and safety.

I am pleased to inform you that this assessment is deemed Compliant:- pending the satisfactory completion of the agreed **Action Plan for Improvement (APFI)** - attached (includes full explanation).

However, although you are now a CHAS registered contractor you should not take compliance within the CHAS scheme as a right of entry to a member approved or select list. Members have the right to ask for additional H&S information on future applications or at invitation to tender.

We do not issue certificate of "CHAS Compliance" as this could, in certain circumstances lead to abuse of our copyright and loss of revenue. You are welcome to tell clients you have been assessed as compliant by CHAS but they will need to seek confirmation through the scheme manager.

If you feel you would like your company to become a "CHAS Accredited" contractor and have a Certificate of Accreditation, with license for the use of the CHAS logo on livery and stationery, please go to <http://www.chas.gov.uk/Accreditation.asp> for more information and to download the one page Accreditation application form.

(Please note this will require a commitment to an annual CHAS assessment).

One of the aims of our scheme is to reduce unnecessary duplication. In the event your company is asked to complete a CHAS or similar questionnaire by one of our members (list on the web site) please contact them before completing that application to verify what is required.

Please visit the CHAS web site for any further information about the scheme.

Yours sincerely

**Kevin Fitzgibbon**
